

Irkut Corporation

To the Director General of GMCS

Sulgin S.P.

Letter of appreciation

We would like to thank GMCS specialists for effective and responsible work on the project for the migration of the Baan A&D system to SSA ERP LN.

During work on the project not only technical issues of data migration and working procedures of the Baan A&D system were resolved, but also the issues related to the methodology of bookkeeping and logistics accounting.

We would like to note the professionalism of GMCS employees:

Project Head: Ilya Lipis

Consultants: Tamara Melniychuk

Vlad Sytnikov

Alexander Yurkin

We hope to continue mutually effective cooperation and strengthening business and partnership relations between our companies.

Head of the Project from the part of IAP      Sheshukov E.V.

Head of the IT Department                      Klyucherov A.A.

Head of Department 30                          Shilin S.V.
